

FEE SCHEDULE

Included below is a list of fees which you may have to pay during the term of your mortgage should any of circumstances listed below arise. We charge these fees in order to compensate us for the work we are doing in order to accommodate your request. Reference to these fees is also included in your mortgage documentation although the situations under which a fee may be charged, or the amount of any fee may change over time.

We will charge you other fees as applicable, which may include fees in connection with the administration of the mortgage. These fees are a reasonable estimate of the costs and expenses we will incur for actions taken or for disbursements or charges incurred by us as a result of a request by you, a failure by you to perform your obligations under the mortgage, or as a result of a default by you. The payment of a fee shall not be deemed to be a consent, waiver or release from any terms of your mortgage (including any breach thereof by you) and we reserve all of our rights to enforce the original terms of your mortgage, including any and all of our rights on your default. All of our fees are subject to change from time to time and without notice. You may retrieve up to date information about the nature and amounts of these fees at rfa.ca or by calling our Customer Service Centre.

There are circumstances under which, at our discretion, we may not be able to fulfill a request, but we will let you know if we are unable to do so. If a fee is charged to fulfill a request and you do not pay the fee, we have the right to charge interest and collect the fee as if it was part of your original mortgage amount.
